

Day-of-service and pre-payment rates for Chinese Medical treatment

CLINIC Complementary and Alternative Medicine

We now accept insurance! If you think your insurance may cover acupuncture, please email jen@clinicnoho.com.

We believe fervently that quality medical care should be available to all, and that more frequent and consistent treatment is the ideal for many patients. We therefore have pre-paid packages for treatment, which lower the per-treatment cost. Also, treatments are available at Valley Time Trade (<http://valleytimetrade.wordpress.com/>), through which you can see me at no monetary cost by offering your time to other time bank members.
